CHARACTERS & STORY

Moeran

Doctor. From Centaris. Terrible handwriting. Hates oracles.

Aleutian

The Emperor. Rules over the country with his 7 courtiers. Insatiably curious and cheerful.

Legna

The Oracle. Also known as "Angel". A courtier to the emperor. Extremely obstinate

Jasmin

The Strategist. Chief of the castle laboratory. Also conducts experiments with the emperor.

"Die"

In Legna's Oracle Arcana, he heard an unknown voice filled with killing intent towards the emperor. In order to seek out the truth, Legna attempted an "Amusement", an ancient Divination. In his dream, Legna is given a trial by the edge. He has to match 10 Tarot Cards with the respective implicated individuals correctly. Just then, Lante approached Legna promptly. Legna was led around by Lante and started to acquaint himself with the emperor's other courtiers. Furthermore, he comes to learn of the feud between Klan, his murdered father, and the knights, as well as the destinies from the past—

Paltin

Administrator of the castle library. Well-versed in the book collections

Dante

Black Knights Commander. Also known as "Noir Traîtã".

Lante

White Knights Commander. Dante's younger brother. Sociable and cheerful.

In recent years,
Oracles have also been known as fraudsters.
Because a king was killed by an oracle.

Chapter 18

Aruosumente
アルオスメンテ

Oracles are... fraud-sters...
Fraud-sters...
Where have I...
"Magician".
Ah,
Is it "The Magician" Card?
"Trickster".
And also,
Swindlers.
That guy is a good liar.
"That guy"...
...Fur-ther-more,
To in-clude even oracles as potential liars is just...
I don't understand at all. !
Ah!

Has it creased deeper in the short time since we last met?
Angel
The wrinkles between your brows.
Is your house arrest over?
Yes thanks to you
Lante.
Hello! ♡
Long time no see
How are you feeling?
On the other hand Angel

?
Nothing in particular I guess?
Is that so?
I wonder if I surprised you...
And made you feel uncomfortable or something...
Like that
I'm worried
WHAT DO YOU TAKE ME FOR?!
Ahaha!
I'll go over there now.
.....
Morning!
Morning!
Morning!
Being so loud as soon as he appears.
That's so like him.

Lively,
At first glance, it appears as if he has no worries at all.
Spirited.
And yet
When I associate him with "The Fool"
I thought that there wasn't anyone more suitable for the role but...
He's
The master of the "Chariot".
He seems to be suffering...
From the fact that his brother is the "Chariot"...
And the person to blame for all of this is...
My father...

THAT'S WHY!!
I DON'T UNDERSTAND THAT "SOMETHING" AT ALL.
Lante is most likely...
Pretending to be "The fool".
That "something"...
Ah, I've had enough!
Ah!
Angel!
I kept you...
Waiting!?
SFX GLOOMY
Angel ?
Erm...
In the few minutes it took for me to get up here what in the world happened...!?

Ah
Oops.
SFX BUMP
Sorry
It's nothing.
It's good enough that you are well
Ah
Thanks
Moeran.
Good morning.
Thanks for the other day.
You're welcome.

I wonder if that's how it is
Even though the sage is still mocking me
It can't be helped because I can't think of anyone else..
Moeran is.
"The Hermit".
At least
He gives off that atmosphere..
.....
Angel
Did you..
Talk with Moeran?
Eh!!
Yea
Did you talk to him of your own accord??
What's going on? How did you do that??
Some-what..
Yea..
Heeh!!
At long last, Angel finally made a friend on his own...!!
That's rude!

At this rate, you are more or less friends with all the courtiers!
I don't know about that...
Ah
But I'm glad.
It's an important step towards making friends!!
In other words, getting along with them!!
I don't understand at all
He's still the same as ever
He's a good liar
Even that Angel..
Is less troubled than I would have thought
Even his own country's affairs are barely made known to him at all.
Until now,

Most likely, except for the anecdotes written in books,
That was the first time he heard about the oracles from other countries.
Or it is...
The doing of those guys in the senate?
If that's the case,
.....
Anyway,
Well,
It has nothing to do with me

.....
I'm not really sure at all whether they are correctly matched or not.
The rest...
And then..
The Hermit..
The Chariot
Strength.
The Emperor
The Magician.
Your ineptness at this trial is astounding
Even though you are able to conjure an Aruosumenta
Nevertheless, just the stage itself is magnificent
I rarely come across cases in which it take this long to make so few card placements
Dear me
At this pace there's nothing for me to do
Im bored
.....
YOU TALK A LOT FOR A DREAM.

It is considered a rare case from the moment you hear God's voice.
Yes, it is.
Is my situation a rare case?
.....
...This is the Sage's trial
Many have passed and many have failed.
What will you do now that you know about that?
.....
!!
Those who failed were unable to place even a single card correctly.
While those who passed only took an instant to place everything correctly.
Surely it isn't a trial if they can finish in an instant?
That may be so.

But
In most
of those
cases
The stage
is crumbling
and falling
apart
A person
with money,
time and
ability like
you
Can
create
a stage
with such
magnificent
floors and
pillars
And I am
able to chatter
with you so
leisurely
Most of
them can't
even maintain
this form for
one night
That.
Is the
extent
of this
trial"
After all
You sleep in a
splendid residence
wrapped up com-
fortably in your
own beddings,
don't you?

You are blessed.
I can only sigh at myself and give trials like this when I am bored.
.....
Your refutation frustrates me but
You're right...
That's right
Right from the moment you were able to prepare such a huge black stone...
Only people with such wealth and luck are capable of doing so.
Although, I don't see you having much luck at all.
THAT'S ENOUGH!!

In reality,
And in my dream
I am in a blessed position.
I see
I can't say that I am not blessed.
But...
I'm always protected, even though sometimes it feels like I'm being hidden from the world.
I am able to stand above others without any suffering thanks to my father's influence.
Even though I have my abilities,
And...
...that goes for this time too
Speaking of which...

But I haven't
Truly been able to match Lante to any card at all...
I associated him to the white horse of "The Chariot",
And even The Magician
The Fool"...
"The Magician"
"The High Priestess", "The Empress"...
Jasmin resembles "The Magician" more closely...
I still think that...
He's somewhat preposterous
Be it tricks, or cons,
It feels like he matches the description
...although that might not be his true self
His somewhat humorous side... included

The High Priestess and... "The Empress" are...
Women...
Women...
There are... two females...
It is obvious that there are not enough women.
...
Sage
Can I ask a question?
What is it?
Does... the gender of the card...
Have to be consistent...
With the gender in reality...?
Huh?
...
Finally.

This question...
At long last.
You finally asked it.
I was getting tired of waiting.
Usually I would have been asked this question in 3 days.
ENOUGH OF THE BABBLING!!
ANSWER ME NOW!!
The gender of the card usually corresponds to the gender of the person.
But,
It is not...
A requirement.
...Damn you...
You were actually laughing when I put the same name for "The Lovers" and those two cards...!?
I have no memory of that.
So nasty character

Don't be mistaken
It's just a possibility not the answer
And this trial is neither a game nor a puzzle
It doesn't match logic either...
For example "The Emperor"
When you heard "The Emperor"
The name that appeared in your thoughts is shown here.
To me, only one person fits "The Emperor"
I suppose so
But do you understand the meaning of matching that name to that position?
...Meaning?
Yes. The "meaning"

"The Emperor" symbolizes "Control ...
It's a card that represents the person at the top who leads the people
I get that.
So what about it...
In other words,
That is...
The card of "The Pursued"
...Indeed. I heard something similar when I was placing "The Lovers" card
That's right
Everything has both superficial and underlying meanings
Those two who are huddled closely always feel uneasy when they are apart
"The Magician" makes novel creations but that doesn't prevent his creations from being made fun of nor conceal him from the sneering gazes of the crowd
T/N "THOSE TWO" REFERS TO THE TWO LOVERS IN "THE LOVERS"

That is the destiny of "Creation
No matter the era novel creatians are almost always macked
If your placement is mistaken the wheels of fortune will not turn
In other words placing that card means that ..
You consider that person
This is because the mistaken actor would not be able to carry out his role perfectly
As someone who can carry the burden of the underlying meaning of the card
At the instant
You turn the wheels of fortune for the sake of finding out who has killing intent
The miscast spokes of fortune will break and fate will be disrupted

...Does that mean that I won't be able to bear that responsibility...?
That's right
Will your king be all right?
Or will he be crushed by fate?
CEASE THIS INSOLENCE!
Don't be so mad.
HOW DARE YOU DOUBT THAT...
HIS MAJESTY HAS THE QUALITIES OF A KING!
In some cases people are nurtured by those around them
When a mediocre person is influenced by the people around him he might develop into a hero
Trusting and watching over him will fuel his growth
That "Expectation" is also reflected in this trial

Expecta-tion...
The future henceforth ..
Revolves around..
The "Expectation"...
That things will "turn out that way"...
.....
...Most likely...
I am
Hoping that
With Lante
it has nothing to do...
But i don't think his actions has ever caused me any negative results..
Yes
Said to be a liar and a fraudster
.....
Isn't that man...

Didn't you go against the senate because of him?
Don't you see that it is sparking enmity?
But
Even the numberless "The Fool" is also assigned a role.
In other words
At first glance, even though it appears as if he is involved
Actually, isn't his role...
That of a human unaffected by fate?
So that's how you interpret it?
Am I wrong?
Don't ask me whether it is right or wrong
For a person like you, you have given it much thought.
I see.

Instead of using the information you have to come up with an answer
Your current answer is a reflection of your hopes isn't it?
That's also fine
Trust me
Angel
Then...
I will place Lante Pirik...
At "The Fool"

Please don't cry.
Please.
Don't cry.
Don't cry, Lante.

Chapter 19

Why?
Your heart,
Does it hurt?
You are crying.
...Because...

?
Then, if you cry, will my heart hurt too?
?
I don't really get it
.....
Hmm.
Yes.
Are you better?
Everyone around us said horrible things.
Now that I think about it,
Dante never cried.
I'm glad.

.....
Just like an enigmatic monster.
He embraces the darkness.
I just don't get what goes on in his head.
What...
is everyane saying?
I...
don't really understand...
what everyane is saying.

Chapter 19

Ah...
That looks delicious.
Don't you think so, Angel?
Not at all.
It must be tasty.
That one
Is that all you think about?
Well, almost
.....
Well, well,
Good morning, Tenshi-dono.
Ah
Morning
Ah
Morning, Jasmin!!
DO YOU WANT TO DIE?

Uh
When I wasn't around, who was the one given a hard time by his majesty?
Huh?
Is it all right to say such a thing?
DO YOU WANT TO SERVE HOUSE ARREST FOR YOUR ENTIRE LIFE?!
...Again...
YOU BROUGHT THIS ON YOURSELF, YOU IDIOT!
YOU SAID "SERVE HOUSE ARREST FOR LIFE".
IT'S YOUR FAULT IN THE FIRST PLACE!
Huh?
Angel, where are you going?
I'm going to hand over some paperwork.
The Senate.
...I still have time, right...?

How peaceful....
What was that about
No...
That shouldn't be the case
Jasmin also wishes you a good trip!
Have a nice trip!!
Stop that!!
If it were truly peaceful,
I wouldn't be taking the Aruosumente trial.
But...
Even though someone is harboring killing intent..
somewhere in this castle.

No na
those two are just having their usuol weird conversatian
There are still many things that I don't know about
the Senate..
And also many things that I hove to ask
?
For that reason
.....
I told you before as well!!
If you
act so rashly,
Commander Lante will be punished.

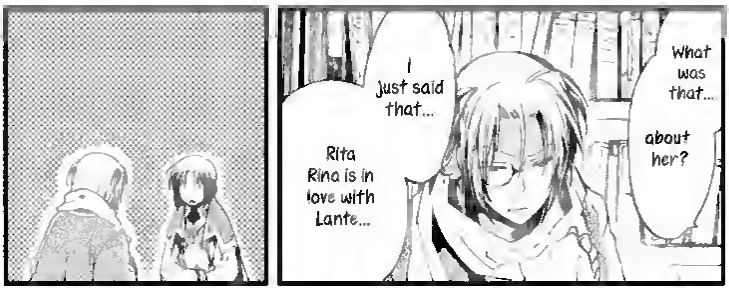
Even though he hasn't done anything wrong
this is so unreasonable
Since you are the elder brother,
you should be more..
Woman
Who...
Are you?
Why are you... saying these things to me?

You asked me why
That's because you..
If you don't change, Commander Lante will...
...
Legna-sama...!!
...Sorry.
I was on my way to the Senate.
I just happened to hear... your voices...
I...
I apologize.
for the unsightly situation...!
It's fine...

Wait...
Ah!
.....
I am...
Really sorry...
Ah.
Did she do it again?

Last time when Lante was blamed because of Dante,
she got really angry too...
Is that so?
That's right.
There was a great deal of commotion.
Pal must remember it too
That time
No open flames.
DRENCH

Well...
After all, her commander was placed under house arrest because of his brother...
She really lost her temper...
In... indeed...
.....
Eh?
Eh?
Huh?
That's why she over-reacted.
On top of that, she has feelings for Lante...
The other knights from the squad would have just accepted it.



I just said that...
Rita Rina is in love with Lante...
What was that...
about her?

...IS...
...THAT SO...!!
Eh!
So you really didn't notice, Tenshi-dono...
THIS IS THE FIRST I'VE HEARD OF THIS...!!

How clever ...!!
Is that sa?
That s right.
What abaut Lante?
How did he react?
Ah..
He s the same as always.
He knew yet pretended not to natice
Then is she "The Lovers" card!?
No. it feels like i am jumping to conclu-sians.
No. na.
but even so...
Well.
that is just my canjec-ture.
Huh?
Tenshi-dana.
these interactians between peaple...
None of it matters in the end
I like that sort of juicy story though.

I see...
Juicy story...
Indeed,
the previous me would have thought the same thing
No,
it never mattered to me at all
that these stories even existed in this world
"You...
"serve your name well."
Lante...
isn't good...
When talking about that.
But...
"Some-day,"
"Why did they say that?"
"What are they thinking when using those exact words?"
Angel
"Those will become unnecessary concerns for an oracle,"

Because you weren't responding no matter how many times I called out, Angel!!
YOU'RE TOO CLOSE!!
TOO CLOSE!!
Whoa!
Why are you here...?
Ah... About that,
it's because I don't have anything to do.
.....
You're scowling...
What's wrong?
Although the wrinkles between your brows are the same as usual.

It's because of Rita Rina!!
Today, somehow she gives off the feeling that she wants to work.
She said she would finish all the documents!!
It's not my fault that I have nothing to do.
You get it, don't you!?
Look of disdain at those who don't work
I see.
That's how it is!!
I'm so fortunate
Yay
Although getting to the bottom of this the reason,
is because of you...
"He's the same as always

He knew
Yet pretended not to notice
What's wrong?
Angel?
?
Na,
just now...
I heard from Josmin that Rita Rino likes you
...Huh?
When you were punished because of your brother, she was saddened... that is to say...
You knew and yet you never thought of doing anything about it?

Isn't this a bit of an awkward thing to ask about?
Jasmin, sure talks a lot
Anyway, that guy...
Blunt?
You're so blunt
As expected of Angel,
Background Angel's love theory
There's no need to conceal it
Love is a noble thing
To be liked by someone is a good thing
Do you need to blame Jasmin for that?
?
Let's continue this conversation another time...
Yeah...
What?
Although that's a sound argument
Well...
...Yeah.

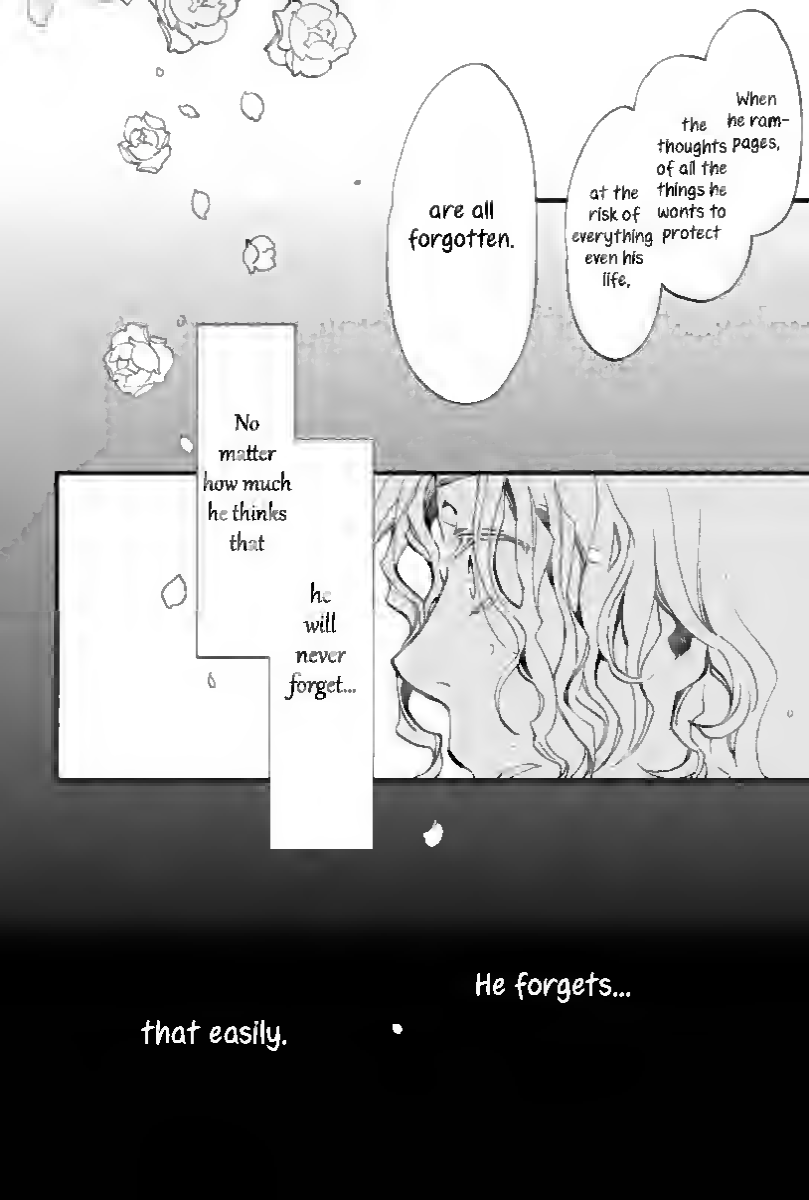
He.
Jasmin gave me answers for the many things I asked him, but.
Even if those are correct answers, in the end, they are still just hearsay.
There will be less misunderstanding if I ask for the reasons directly from the person in question.
That's what I thought.
...I see.
So that's how it is.
So, driven by that thought, you pulled a surprise one on Moeran too?
Moeran?
Yeah.
And then?
I heard from Jasmin that Moeran hates Oracles.
So I went to ask him why
Ahaha.
Huh?

So...
"And then"?
The reason for Moeran's hatred for oracles.
What is it?
Eh?
.....
Eh!?
What was it again?
I never asked about it praperly...
Now that you mention it...
Then what did you ask him?
.....
Lante Firic.
will receive divine retribution someday...
That's...

It's nothing worth mentioning..
If I'm not mistaken,
he said that even the existence of the underground archbishop is only known to few people
I...
No, it's nothing
can't say that...
This isn't something I am at liberty to discuss freely...
You couldn't even fool a child like this.
So, you're going to lie, Angel?
!
Also,
I know that Moeran comes from Centaris.
Centaris might have said something about Dante.

...Is... that so?
Yeah, they must have badmouthed me as well?
Badmou th
That ..
It's all right.
Because the things they said are not mistaken
Dante is...
a very beast-like living being.
But..
That .. doesn't mean that he's inferior"...

Who is the most afraid of Noir Traryd?
No one...
knows
When he rampages,
he unknowingly and unconsciously...
Destroys everything.



When he ram-
the thoughts pages,
of all the
things he
wants to
protect
at the
risk of
everything
even his
life.
are all
forgotten.
No
matter
how much
he thinks
that
he
will
never
forget...
He forgets...
that easily.

Chapter 20

Several months after he became known as the Black Chariot,
Dante suddenly went berserk during training
IT'S NO GOOD!!
HE'S OUT OF CONTROL...!!
TCH...
DID SOME-THING HAPPEN?
MOST LIKELY...
IT'S THE SMELL OF BLOOD.
THE GUYS TRAINING NEARBY SORT OF MESSED UP...
AND THEN...
This isn't funny
How do I stop...
A monster that single-handedly killed 300 people?
Well...
And?
Where did he go?

He moved too fast...
Ah
Over there, huh
looks like he's not coming over here
Sigh...
What should we do...
We've got no choice We have to stop him...
But..
How...
...ARGH
LANTE!!
WHAT ARE YOU DOING?!

...What you ask.
Going to wash the pot.
NEVER MIND THE POT!!
RUN!! GO BACK INSIDE!!
Eh?
DON'T JUST "EH"!!
ENOUGH, JUST GO BACK!!
OR ARE YOU FINE WITH BEING KILLED BY DANTE?!

Chapter 20

I've told you before...
Noir Traryd was Kian's mis-calculation.
Yes
He should have died back then...
Kian-sama knew about Dante's strength
"No one in this country can kill Dante."
But Dante doesn't listen to anyone.
Though it's not that he doesn't understand con-versations...
He never even consid-ered that what he was doing was wrong...
It's as if he knew that the world thought of him as "abnormal"...
But he doesn't have any intention to change himself...
What's with that?
Why doesn't he change himself even though he understands?
Because there is no value in doing so

For Dante,
There is no value in changing himself...
For such a world
Do you understand?
For example,
let's say, we ask for your permission for his majesty's experiments.
Now, what would you do?
Well... I wouldn't give it...
Right?
Then...
What if that...
was requested through a divination instead?
What would you do?

Sorry.
I worded that a bit too spitefully.
I'm not saying that we have no value to Angel.
.....
about that...
.....
To Dante,
it's himself.
Or rather...
Should I say that... nothing could be more assured than that...
To you, it's something trustworthy like a "divination".

were to tell me
to change my divinations
If someone...
What you're saying is wrong.
What...
Is he saying?
I... Would most likely be thinking along these lines...

"Why would you say that to me?"

That is how Dante is when he goes berserk.
...and you slice apart everything within your reach with all of your strength...
Everyone apart from yourself becomes an enemy.
That "divination" is, in itself... too strong
...Dante
Has always protected me.

It was the same 10 years ago.
By the time I came to,
I was left behind alone outside the castle walls
while the ground rumbled like thunder
HORSES!
THAT MEANS THAT...
A LARGE ARMY IS COMING...!
THEY'RE GETTING CLOSER...!!
OPEN UP...!!
OPEN UP,
LAMIA!!
LANTE!!
DANTE!!
OI,
FOX!!

OPEN THE GATES!!
THIS IS DIFFERENT FROM WHAT YOU SAID!!
.....
said?
Different?
That should be my line, Dante
But you only protect your weak younger brother
I believe I have already told you to serve his majesty
We no longer have any obligation to protect your brother
You're the one going against our pact

Lante?
WH...
WHAT?
W
why?
I can't get it off!
What should I do?!
LET ME SEE!!
Damn!!
Damn
fox eyes...!!
That time,

With our lives in danger,
And the sound of the rumbling ground steadily closing in on us,
Dante
what should we do?
They're coming,
Dante!!
We...
We...
won't make it in time.
"it doesn't matter"
"Leave me behind and go"
"Dante"
Were unable to remain calm at all.

The fact that 300 and 1 people
were trying to kill us.
...gasp
Don't cry, Lante
Don't cry

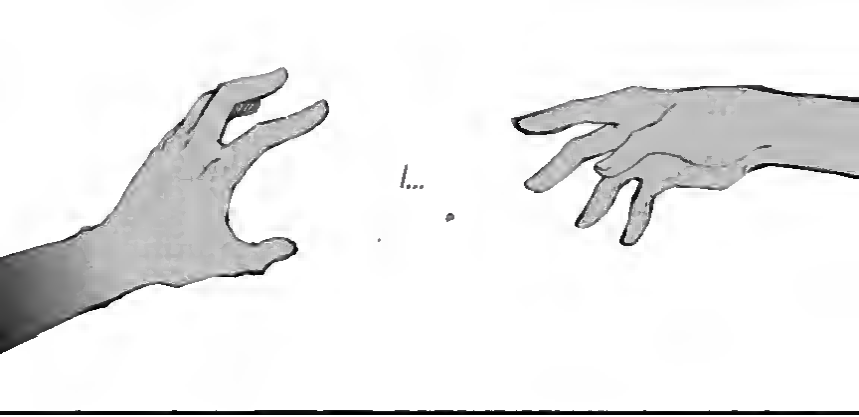
My heart
hurts.
I will
protect
you
Please
don't
cry.
I won't
be able
to move
Because
of the
pain...
I can't
move...
the way
I want.
If it wasn't
for this pain,
I could move
more freely,
And I'd show you
that I can protect you
DANTE!!

Damn!!

I...
I had never even been to a skirmish
Neither had I seen someone die before my eyes.
That was also the first time that I'd heard people shouting for us to "die" on such a grand scale
In short
... Looks like that's all there is

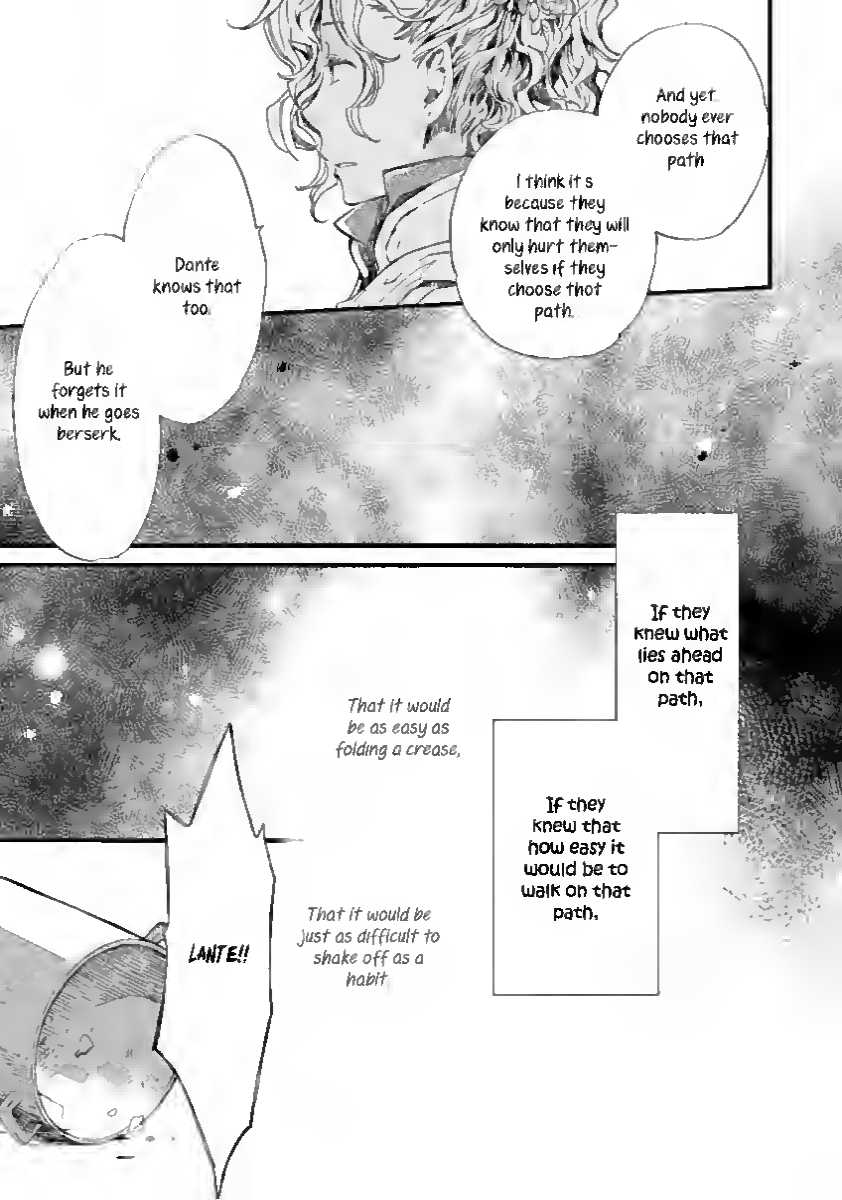
I don't have any memories...
of what happened after that...
I only heard...
Dante's...
DON'T LOOK!!
LANTE!!
pitiful cries.
DON'T LOOK!!

DON'T LOOK...
AT ALL!!
Dante has always protected me.
That's why,



Left Dante behind and "escaped".

Even though it exists,
isn't that a path...
That should never be chosen?
"If you kill, it's over."
"If you forget, it's over."
"If it disappears, it's over."
"If it's gone, it's over."



And yet nobody ever chooses that path
I think it's because they know that they will only hurt themselves if they choose that path.
Dante knows that too.
But he forgets it when he goes berserk.
If they knew what lies ahead on that path,
If they knew that how easy it would be to walk on that path,
That it would be as easy as folding a crease,
That it would be just as difficult to shake off as a habit
LANTE!!

ARE YOU ALL RIGHT, LANTE!!
DOES IT HURT!?
YOUR NECK!!
IS IT ALRIGHT!?
My neck...?
!
...it does hurt
a little...
Keep it cold for now.
This will probably leave a mark...
Commander! How's it going over there!?
I've got it covered!!

Make sure you bind him up tightly...
WHAT ARE YOU DOING??
HAA!?
LET HIM GO!!
Uwoh!
DANTE!!
ARE YOU AN IDIOT?!
YOU WERE ALMOST KILLED BY HIM JUST NOW!!
HE WASN'T GOING TO DO IT!!
LET HIM GO, IDIOT!!
YOU'RE THE IDIOT!!
THEN, HOW DO YOU EXPLAIN THE WOUND ON YOUR NECK!!
Com-mander Richter... about that...

Indeed.
while it looks like he was aiming his stab towards the neck...
Immediately before contact it fell wide of the neck. It doesn't seem to have hit him directly.
Even though it left a mark...
It may have been caused by wind pressure, or it may be a scorch mark...
Kill!
Wind pressure !?
What kind of speed is that?!
It was obviously intended to kill!!
Toss him into the warehouse just like this...
Hmph
OWCH!
GAH...
DANTE, ARE YOU ALL RIGHT??
ARE YOU HURT??
-You bitch!!

I'M THE ONE WHO GOT HURT!!!
HERE, I'LL UNTIE YOU NOW.
DON'T UNTIE HIM!!
You damn brat!!
Here, it's off!!
Dante?
What
What did...
I do?
Why did I hurt you?

Have I...
forgotten...
---That was the first time...
About you too?
Dante had ever looked so small.

Chapter 21

"My father was kind,"
"at least to me."
Seriously, what is he thinking?
If a child got lost in a crowd people would normally be searching for him frantically
Hm...
...But...
because it is that Kian-sama...
Your Majesty,
Oh!
I was thinking of letting Art wear this when he grows up but ..
Did you injure yourself when you fell?
it really fits you.
Ah
no..
Oh, I see
We've finished changing his clothes.

Huin?
Erm... Your Majesty...
It's better if I return these clothes..
Kian is at the senate
He will return soon
Erm... My father...
It's fine
If Kian gets mad I will have a proper talk with him
Kids shouldn't worry so much!
Then, after a while,
my father returned to the castle.
Legna,
here you are.

Even though I've told you to follow me without getting lost
why can't you do so?
Come to think of it,
when I got lost, father did not even notice that my clothes were different from when I got lost.
...Yes
I'm sorry father.
Angel?

Are you all right?
Ah
Sorry
I was thinking about some-thing else
.....
I'm the one who should be sorry
for the unpleasant talk...
..Nat at all
You talked about it
because you think that I should know about that

The "reason" your brother rampages
Is my father's doing
...Yes
The vice-captain died because of that incident as well
Every knight in the chivalric order hates Kian-sama's actions
Is it the vengeful spirit in the chivalry order" that you mentioned previously...?
That's right That's right
You remembered, Angel!!!
.....
That... has to change
The hatred is still strong
And that brunt of it is mainly fixated towards Angel

My father that you spoke of is always so cold
.....
That's right.
He must be very different from the impression Angel remembers..
...Talking to you...
reminds me of the past.
I...
...can't agree with that wholeheartedly.
I also have memories
of a cold father.

There was a time when i went to a festival with my father...
EH?!
That's surprising!!
Ah!
No!!!
Please continue!!!
...i'm glad
that he brought me along, but...
my father gradually walked farther ahead...
and I got lost right away
.....
That... must be unsettling..
That's right...
Because my mother hadn't been dead for long
I barely spoke with my father...

He returned to the castle late at night.
He went to the Senate on his own and finished his job there
Father...
didn't look for me
I was picked up by someone from the castle at the place I sat when I got tired.
In the end I walked around searching for my father
Laura-sama!!
crying
And...
he scolded me.
Angel...
.....

That s
what I thought as well
...Despite what I just said...
That "father" is... not that... unkind...
But...
I also remember the kind father...
who walked and held my hand
.....
Which is the real him?
I don t know

He's slightly similar to Dante
Yes.
Except for me, no one else would say that he's kind.
Is that so?
.....
Does he look kind to you?
Yes, he's kind
Hm?
Although it's slightly in a weird way!
.....
weird
You really like your brother
I like Angel, too!
I don't care for that

If it was my father's fault that your brother became like that...
most likely you thought of him with hatred
Don't you think of taking out your revenge on me for being his son?
.....
It can't be helped that...
I complained to Angel
You are a different person from Kian-sama.
I am aware of that.
That's why I wanted to do an exorcism instead.
But
well.

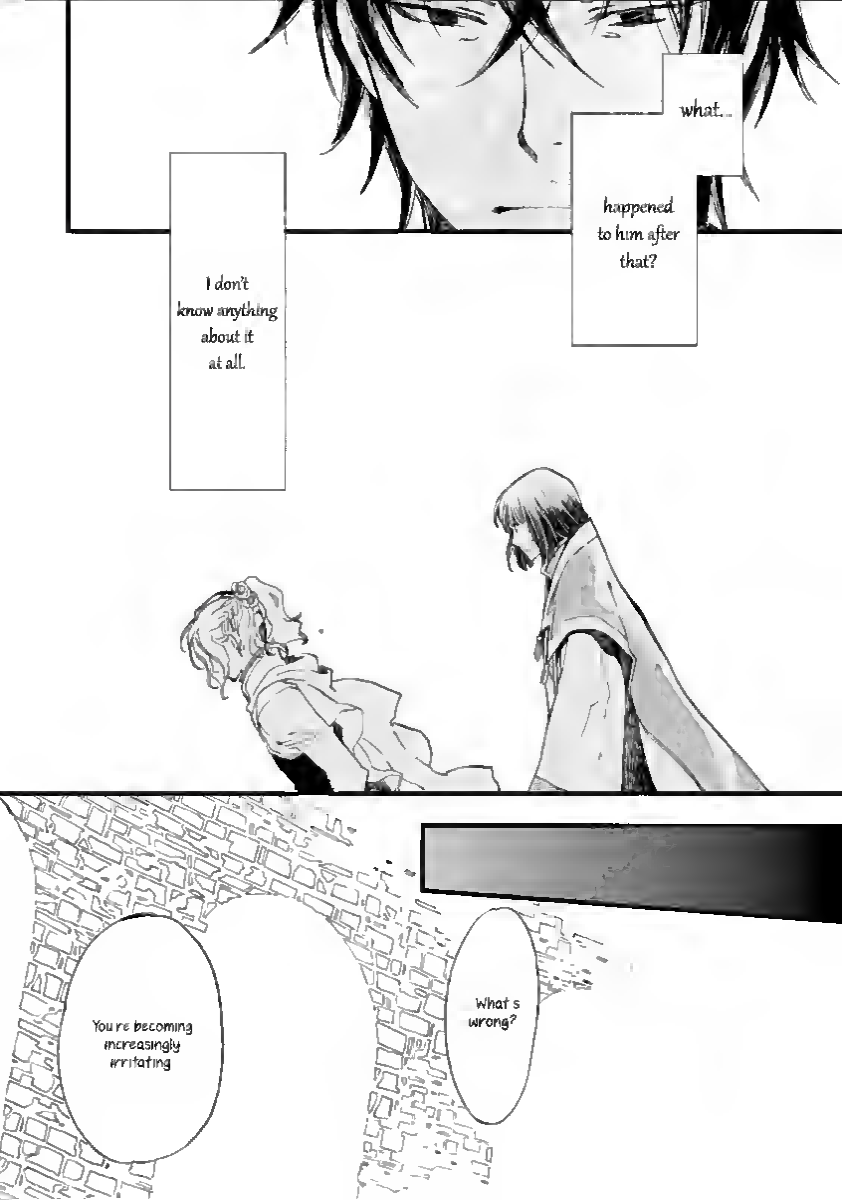
to be honest
I really wanted to
kill him
That's...
what I really wanted back then

Huh?
---What is this?
I will never..
forgive him
Although...
I thought of doing so.

I'm not cut out for that sort of thing
In the first place I have a carefree personality
It is tiring for me to continue to hate someone----...
Ah
it's... getting windy
Let's return to the castle

I remember it.
That thing just now...
That..
had the same aura as...
the oracle dream back then.
Impossible.
that knight captain's
If I'm not mistaken that was..

What's..
going on with you?
Lante
There's no mistaking it.
That malice belonged to him.
the current
you
what
Speaking of which,
That inadvertently
is a question that is always on my mind.
exactly is going on?



what...
happened to him after that?
I don't know anything about it at all.
You're becoming increasingly irritating
What's wrong?

.....
...You're reconsidering it calmly
Oh?
This world that is visible to me...
Is it really right for me...
to judge it based on what I see?
Hmph
That's a philosophical question
What is the meaning of 'me' or the 'world'?
Those are longstanding questions.

No, I haven't.
Have you forgotten?
You said that you want to uncover that
.....
But now that it has come to this, I can't say the same anymore
If I don't look, I'll end up never seeing it...
Is this trial really necessary to find the owner of that voice?
Yes
.....
An immediate answer
am I uncovering right now?
But what...

What is the reason people conceal the truth from others?
For instance
your desire to search brought forth the table that ..
resisted so strongly
When they did something bad and want to conceal that...
Haven't you done so?
No
.....
Speaking of which,
recently, I lied inadvertently
And was caught right away...
.....

"When ...
In other words,
you don't wish to hurt the other person."
I do not know the truth.
That is merely a conjecture
Even if it's the same event,
Do you understand the meaning?
your viewpoint changes your perception greatly.

When you are standing before the culprit
do you blame only the root cause of his killing intent?
If you know about his reasons, do you admonish his killing intent...
or do you agree and go along with his killing intent?
Going along
...Is that even a viable choice?
Hey!
You won't know
That is the reason for this trial
Take it through seriously

even without you mentioning it...
I would do so
The next day,
I met up with Lante,
Good morning
just as always.
There is completely no sign of that oracle's dream.
Was that...

just my imagination...?
Well,
we'll start from this side today.
There are no problems with the White Knights Order.
Nothing in particular here, either
.....
Ah,
nothing at all with the Black Knights Order, too.
.....
Saying that he reports on behalf occasionally...
has learned
There's no other way...
Your Majesty,
I got something interesting.
What to do about it?
Really? I want to see! I want to see!!!
Then I will wait for you.

I'M JUST GOING TO PLAY AT JASMIN'S PLACE!!!
I'M NOT DOING RESEARCH OR ANYTHING!!!
...I get it.
W-
What?!
Gasp
Well then, please excuse me.
Don't return too late
I see...
If it were back then, you won't be gracious about it, Tenshi-dono.
His Majesty was frozen with surprise.
What brought that on?
What are you talking about?

Even though the things you do are extremely weird, you are very knowledge-able.
Heh
Thanks
Maybe I trust you a little more than I used to
..That's true.
I wonder why though.
If you like, shall I answer Tenshi-dono's questions, too?
Oh
My reputation has risen greatly.
That must definitely be meaningful to His Majesty.
You are able to answer His Majesty's queries
It's a little different from Paltin who repeats after the things written in books.
Although my answers are all information gathered from rumors.
I can answer the general questions
Yes
My questions?

Various kinds of wisdoms...
I see,
"unofficial information not found in print"...
So that's how it's segregated...
Strategist Jasmin...
.....
Ah, I'm sorry
Urah
Strategist
since when have you been in this castle?
I've been here for 6-7 years.
I'm a newcomer.
That was surprisingly short...
Because there was no need for me to know those information
The background checks on the courtiers are extremely strict
Tenshi-dono, don't you know about that?
You're in the information drought area as always, Tenshi-dono
There are no problems as long as the Senate gives their consent
Heh...
Drought...

I was near the castle and knew about the commation.
That's right
Yes
So you weren't around during the Knights Order Commander's coup d'état
6-7 years...
"The new oracle's debut battle"
"Commander Richter is highly popular in his order and there were loud protests against the false charges against him."
"And also that the vice-commander died in the Finfield battle because of Kian-sama."
The incident that fueled the order's distrust towards oracles to its peak.
The Chivalric Order became chaotic for some time after losing both the commander and vice-commander.

After that, it seems like the Order tried to rescue Commander Richter who was in the dungeons.
They were unable to find him and currently the theories of his death become convincing.
Anything else?
Is Commander Richter dead?
That being said,
there was no official announcement at all.
On the other hand, Lante investigated exhaustively.
He must have pored through all the records in the library.
For a time, he wanted to enter the dungeons.
However, even courtiers can hardly enter that place.
Seems like he has given up lately.
The dungeons...
So...

why do you ask me?
Well...
You seem to know the most about the dungeons...
Don't speak of me as a dungeon expert.
It will trouble me.
I'm sorry...
So you don't know that much...
That's a shame.
I know it well.
I've been in there after all
The dungeons
The owner of such rare experiences...
Yes.
Thanks to a certain someone.
That was really troubling.
Sorry
?...

So...
who was it?
Former Knight Captain Richter?
Yes
I thought that you might have heard some rumors...
Rumors...
None...
in particular though
But I've met him.
Just after Oracle Kian died
He seemed well.
Though I don't know how he is now

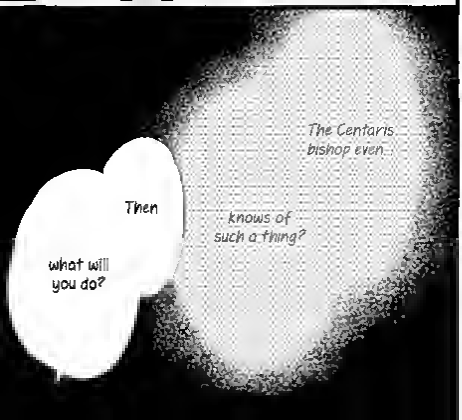
Think about it.
Lante despised my father.
That is the truth
That hatred is still strong to the extent that it produces such a black aura...
But...
It is completely unimaginable for that aura to come from the usual him...
Yawn...
Chapter 22
Yawn...
Legna-dono
That is a trick I am incapable of
A person who wears his emotions on his sleeves
Do you... have some time later?
I've investigated various leads
It's about the matter the other day
Can you come to my room?

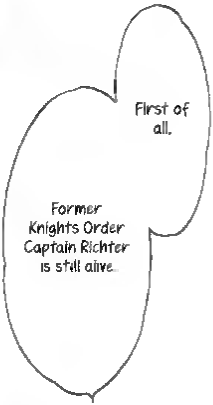
Chapter 22

He's still alive?
Yes
Bishop-sama told me about it so there's no mistake about it

—
The bishop...



Then what will you do?
The Centaris bishop even... knows of such a thing?



First of all,
Former Knights Order Captain Richter is still alive.

Huh?
Do you want to meet him?
...Can I see him?
Are you asking if the Senate will give their permission?
Do you think that they will do so?
...No
In other words, doing something that disrupts order is the precondition.
But the information from the Senate has to be selected carefully
If I want to know the truth,
waiting for permission from the Senate...
is non-viable.
...Moeran, you...
Nevertheless can you bring me to the dungeons?

I don't want to take on any more unnecessary risks.
But please take off those wings.
don't mind doing so.
...Well
I'll prepare those for you.
.....
...Don't carry anything else...
Your shoes should be more worn out.
It would be a great help if you dress like a squire.
I will escape first.
Don't worry. When the situation becomes inconvenient.
I'm not being kind.
Why so?
You're being really kind.
.....

I just find it amusing
Please leave your thanks after returning
The reason I did not refuse your request...
Is that your matter is not a big deal at all
...That
was what Moeran said...
For someone who goes out of his way to spare some time for a person he dislikes
shouldn't he be categorized as a very kind person...?

How are the shoes?
It hurts a little
Is that so?
Bear with it
Then why do you ask...?
Erh
He got this for me, too..
Clothes with a strange smell
It smells a little like the library...
※ moldy
By the way
what do you want to ask him when you meet him?
Huh?
I haven't decided on anything in particular
I just wanted to meet him
I see...
If it were you, what would you ask?
Text: Unplanned

...Queries?
Quiet
It will be bad if your identity is found out. Be quiet from here onwards
...
It wouldn't be bad to try asking the queries that are bugging you for a long time.
...As for me...
well...
That's right
Not a word to anyone
For a short while
.....

If I remain where I am being protected
I won't be able to find out about anything
If that's the case...
We've arrived
This gate...
.....
Shall we go back?
No
.....
...Moeran.

I'm sorry Moeran..
I...
I don't feel too well..
WHAT?
THE MOLDY SMELL COMES FROM THE DUNGEONS. PLEASE BEAR WITH IT.
Moldy..?
..No.
It's not about the smell
This place...
Is full of ill will
It's suffocating

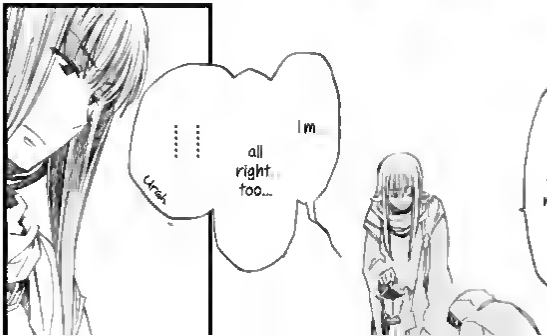
We'll be arriving soon
What do you want to do?
All of the cells all along the way are vacant
This is the safest route for us to take
.....
#someone else = Lante
It's the dungeons!!
There's the smell of blood and puke!!
Don't do it, Arnest!!
Indeed if it were someone else this is a situation when he would have stopped me
That was unexpected
...I see
"Is that your matter is not a big deal at all."
"The reason I did not refuse your request"
In other words, the little "ill will" remnants left behind affected me this much.
.....
There are... no people here.

I'm the one who said that I wish to come here
Are you fine with it?
Let's go
No, it's nothing.
Huh?
.. Is this the killing intent of 300 people?
I..
don't know anything.
I don't know whether I might find out about something if I meet him. I don't know anything at all
Why a coup d'etat?
To begin with, I do not know the thoughts of the Knights Order
Why does Lante have the same ill will?
To begin with, I don't know what happened to him after that.

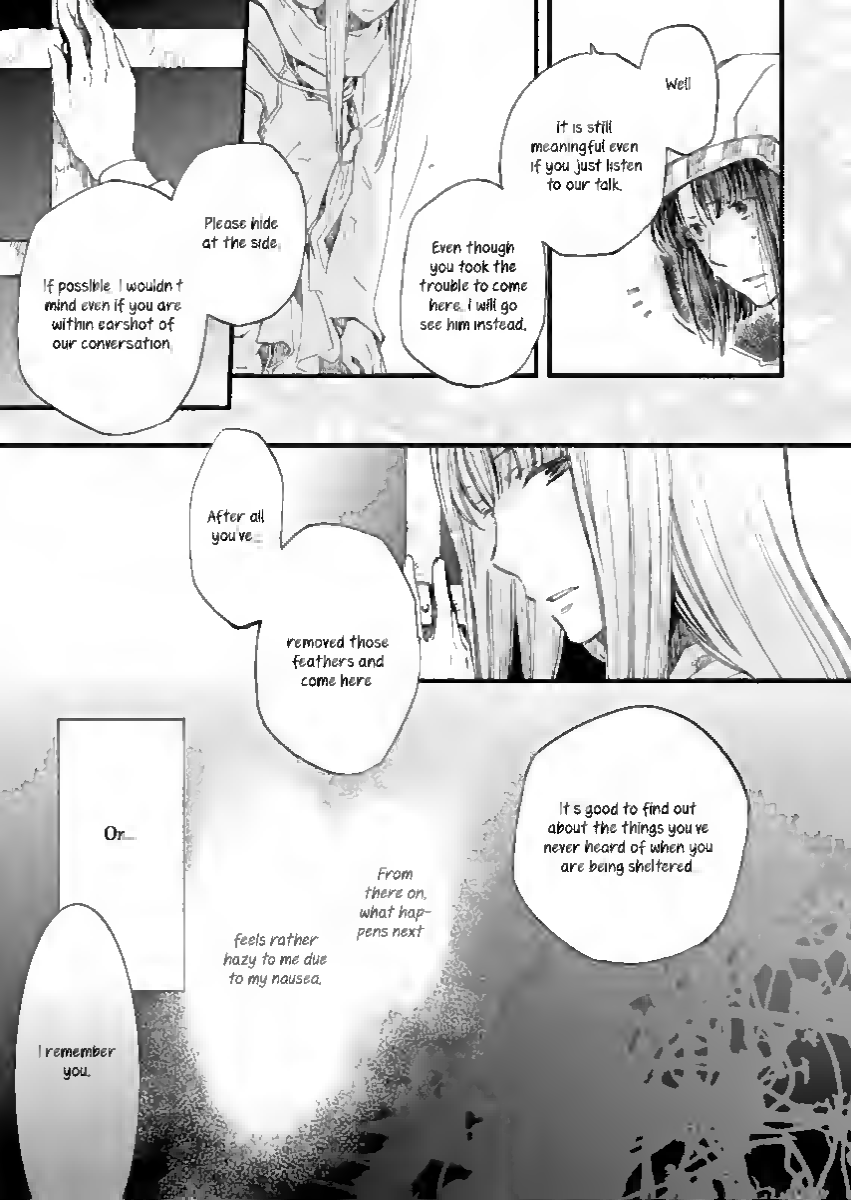
That thing
Gaoid
Would he obey because of that thing?
He won't interfere with us for some time
Let's go
"That thing" is unexpectedly important
?
Is it that sort of thing...?
It's the sort of thing that you will not understand in your entire lifetime
Hmm
I don't get it
This place
And yet

.....
You're a difficult person
Dear me

How...
can you be all right?



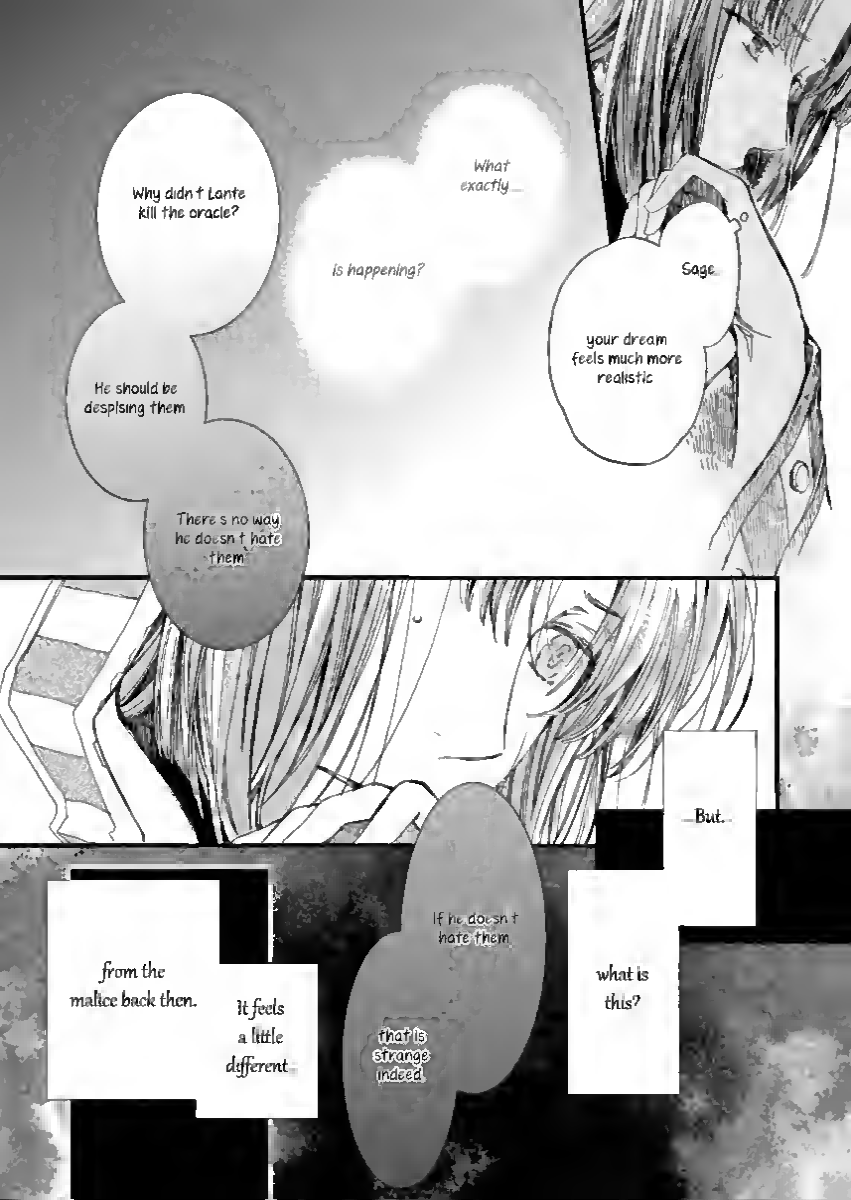
I feel completely fine
If you don't say that you wish to return I will open the gates
I'm all right too...
Urah...



Please hide at the side.
If possible, I wouldn't mind even if you are within earshot of our conversation.
Even though you took the trouble to come here, I will go see him instead.
Well
it is still meaningful even if you just listen to our talk.
After all, you've...
removed those feathers and come here
Or...
I remember you.
feels rather hazy to me due to my nausea.
From there on, what happens next
It's good to find out about the things you've never heard of when you are being sheltered

...Never mind.
Why do you come here?
How are Lante and Dante doing?
Are the oracles overthrown?
You...
are the kid the Senate dealt with.
Yes.
No.
Oracle Kian's child is still alive.
He's alive?
Why?
Why wasn't he killed yet?

Not letting him roam
not telling him anything
If that's the case, he wouldn't end up getting killed
Or could it be that?
After Kian died his kid was domesticated carefully?
...What do you think?
Do you think that Oracle Kian was killed by those twins?
There is no proof
That...
was a conversation beyond my expectations
It feels so unreal.
It's as if I'm watching a dream
Dream...



Why didn't Lante kill the oracle?
He should be despising them
There's no way he doesn't hate them
What exactly...
is happening?
Sage
your dream feels much more realistic
But...
what is this?
If he doesn't hate them
that is strange indeed.
It feels a little different
from the malice back then.

It's much more...
darker, deeper and depressing
It's like the dregs deposited at the bottom of this dungeon,
like the mud,
like accumulated snow.
We've arrived at the exit.
Are you all right?
Ah
Yes
I'm all right...
He's more talkative than I expected
I thought he would be a more quiet person

...I'm sorry.
I can't think clearly...
...
I can't answer properly.
Well,
everyone might have become so if they had been in such dreary underground dungeons for many years
.....
Seems so
Looks like it's better if you return yourself into those feathers.
Into the feathers...
It's frustrating, but
I can't refute that

When I am wearing these wings,

I am being protected,

isolated from many things,

not knowing anything

But father was killed.
to those wings
I've always...
wanted to catch up
I looked up to my father
I want to become the ideal oracle like my father.
I have to become like my father.
I became the Senate's "ideal oracle".
If I find out about the things the Senate is keeping away from me
will I become like my father?

I don't know
Lante, who hates my father,
will he do the same to me?
There are too many things
My head hurts
But, you...
address me as "Angel"
What do you mean when you call me that?
Moeran.

Please don't glare at me with that scary look.
.....
It's no different from what you are doing
"It's no good if this carries on",
I am of the same opinion
Thinking that it's better if oracles are gone...
It's not the same
Hating oracles...

to the point of wanting to kill them
Indeed
I think that Kian-sama died ..
because of me
But,
who did it and
how he was killed ...

I...
do not know at all.
.....
...What?

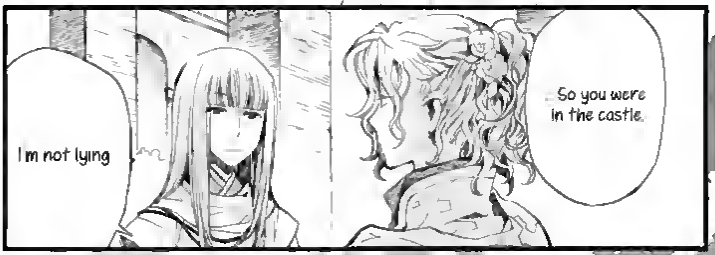
Then what were you doing at that place?
I wasn't at the scene of the crime.
I wasn't anywhere near it.
Although I snuck into the castle afterwards...



...So you were in the castle.
I'm not lying

CHAPTER 23

I wasn't present at the scene when Kian-sama died.
...

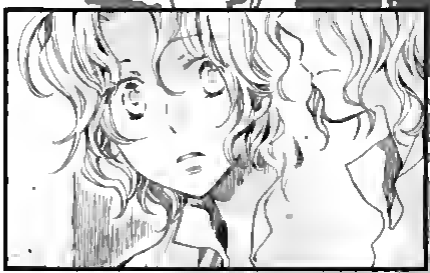
...Just so you know,
Dante wasn't there, either.

Believe me...
There wasn't any evidence and it's absolutely impossible for him to kill
Dante doesn't think about anything at all.
.....
Is that so...?
But...
no matter how I much ponder,
the culprit could be no one else but you.
.....
Seems...
so.

I also..
couldn't think of anyone else apart from me
who would kill that person.
CHAPTER 23

Ever since that day,
something has changed.
...Mm
.....
Dante...?
What's wrong?
What are you looking at...?
You'll catch a cold, Dante.

Dante...



did not say anything to me.

That was...

after I lost consciousness.

Did something happen at the gates?

I didn't know anything at all

Let's talk to Lamia after she comes back, all right?
I wonder when Lamia will come back.
Hey Dante
Somehow Dante.. is being weird these days
He doesn't show much expression.
I don't know what he is thinking...
...That's how he's like all the while
When Lamia comes back, I want him to talk to her...
Dante might be unexpectedly talkative... if he talks to Lamia.

Huh..?
I am aware that..
Dante's eccentricity is not something to joke about.
But..
to be honest, it is really scary when I came to know of the
grave situation.
Hey, Lante!!!
Can you help us carry this?

Where to?
The warehouse?
Yes
It's all right to just leave it outside
It's heavy
Will you be all right?
I can handle it!!
Hup
Sorry We're counting on you
The warehouse
Is it this way?
Tell me the truth
I can more or less guess what happened.
?
Commander?
But I can't allow you to just keep quiet like this.
You killed Lamia,
didn't you?

Dante.
Lante...
rustle
Huh?
Ah.

Just now
Um...
Ah...
erm...
You...
since when were you...
.....
Never mind
Come over here
It's something that you will find out eventually
Although I thought that you would cry if someone'd told you
Everyone was afraid and didn't say anything...
since Dante will go wild if you cry

Dante killed her?
Lamia...
is dead?
But...
the other day,
Dante...

...
...Ah...
Da..
Dante...!!!
I...
That's a surprise...
So this is how being linked" is like...

...This is ..
the letter Lamia wrote
You two wanted to ask Lamia many things
These are her thoughts ..
left behind in this way
It's your call
Read it if you like
Although there are many things in it that i don't understand ...
But you guys might understand if you read it
I don't intend to blame Dante ...
for Lamia's death
It's just ...
If he were to go berserk again in the future,

I will have to kill him
Hey,
what will happen..
If Lante were to leave Dante?
You said that you'll get a fever. How's it like?
Can that fever subside on its own?
Then wouldn't you be fine even if you leave Dante's side?
I would be fine, right?
We never cooperated, so we don't know
Yeah.

Dante,
how do you know when Lante is crying?
.....
It...
throbs
Right now
The heart...
BADUMP
Ah

BADUM?
It's throbbing..
again
Eh...?
"This..."
"I don't even know the changes in Dante's emotions"
"is like a one-way signal"
Hey
Dante..

Why...
do you care so much about Lante like this?
If your heart hurts when he cries, isn't he more like a nuisance?
Can you live even if Lante is gone?
...
Do you...
need a reason...
to protect your "life"?
"Life"...?
There's nothing...
in this world

Everything
doesn't matter to me at all
But if I destroy you Lante will cry
If I answer when he calls out my name
he becomes overjoyed
If I heard him but I don't respond he cries
Say something
Words exist for the sake of answering to him
For that reason I remember
Without Lante,
I wouldn't know anything
I am a beast

When he rampages that is the state he is in
Kian-sama also knew about the things written in here
"Without Lante..."
"Dante couldn't even tell friend from foe
Kian-sama decided that he is uncontrollable
It seems like the Finfield army was sent to kill you guys
Dante is too strong...
and his plan ended in failure
.....
It's crimson

Even since that day
that crimsonness and
the stench of blood..
don't go away
What should I do?
You're becoming invisible to me
What should I do?

At this rate, I'm not making any progress
I can't concentrate today
.....
Completely blank
His Majesty Ariel Lante
Did he improve by learning from Lante...?
Hmm

"He's supposed to despise them."
"Did Lante killed the former oracle?"...
Some of these become popular theories.
But there aren't any evidences.
And the Senate did not pursue this case any further.

What?
...
another
That might be the case
That is to say,
could the Senate have gotten hold of some information that indicated that it wasn't Lante who did it...?
What about you?
I...
want to find out about the person who killed the former oracle
Isn't that the same for you?
Don't you hate...
the person who killed your father?
Don't you want to kill him when you found him out?

"Hate" ...?
"You..."
"must not become like that"
I heard...
that my father was killed...
because of the atrocities he had committed..
so...
Have you accepted that theary?
Isn't it a fact that he was killed?
...

I'm sorry I...
really don't understand
After my mother or my father died my surroundings was very hectic
I think that...
feeling sad for someone who died..
is something that...
I don't understand well...
One day...

I never spoke much to my mother to begin with.
My mother... died suddenly.
When I was all alone in my big room,
She might not even be my biological mother.
It felt like a hole has opened up in my chest.
SLAM
EH?

Huh?
COME ON!!!
LET'S PLAY!!!
B-
Ah But...
Your Majesty...!
He's my son Artian
Sorry about it Please keep him company
The prince?!
Let's play!
Let's play!
A-
All right..
COME ON!!!
All right
I'm sorry Legna

I learnt the meaning of "father" from that person.

That happened some time later.

Hello. This is Aki. Volume 4 is finally released.

Thank you, everyone, for reading this volume. The story of the twins continued but next time it would be Daddy's turn.

Shortened to Papa's turn. Papa's turn! It will be quite some time until the next volume is released but . I would be very happy if you will pick up the next volume, too.

I'm looking forward till then.

Will the next volume be released next winter?
Right now, I'm planning to be buried in images of Papa's turn and chibi Legna.
What about Lante-san? I don't think that he will be absent.
Lante-san is an airhead and I enjoyed drawing him... (laugh)
I didn't draw much this time. There isn't much progress with the Sage's trial and all you can do is kindly watch over the things Legna is doing.
See you next volume! Aki
